## DAN CAVANAGH TRIO THE HEART OF THE GEYSER

LINDA OH JOE MCCARTHY

Noted internationally for his big band and arranging skills, pianist Dan Cavanagh here teams up with Grammy-winning drummer Joe McCarthy and bassist Linda Oh for an intimate piano trio set. "Heart of the Geyser" gives a closer musical insight into the mind of Cavanagh, while teaming him with two of the most empathetic and highly skilled musicians working today. They perform mostly originals along with a highlight cover of Chick Corea's "Matrix."

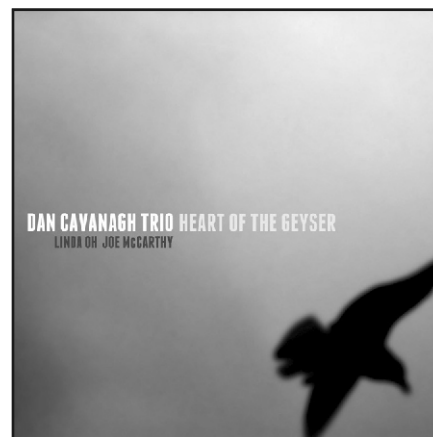

Cavanagh is the Associate Director of Jazz Studies at the University of Texas/Arlington. He is an Honorary Fellow of the National Academy of Music, and was a Prizewinner in the 2009 International Music Prize for Excellence in Composition. He has garnered numerous awards including a 2006 First Music Commission from the New York Youth Symphony Jazz Band Classic program, Featured Performance at the 2006 International Jazz Composers' Symposium, Honorable Mention in the 2007 Gil Evans/IAJE Commission Competition, Finalist in the 2002, 2005, & 2007 ASCAP Young Jazz Composers competitions, and ASCAPPLUS awards each year since 2003. His music continues to be performed across the country and internationally, and he has received commissions from a wide range of groups across North America.
